

# TECHNICAL DATA SHEET

## INSTA-CLEAN Hard Surface Spray Cleaner

**DESCRIPTION:** Ready-to use hard surface spray cleaner. Spray on, wipe off. Cleans, shines. Specially formulated for use in hospitals, nursing homes, restaurants, motels — anywhere cleanliness and sanitation are important.

### Advantages:

Versatile — can be used on most washable surfaces. (If you are in doubt, try on a small inconspicuous place before proceeding.)

Convenient — no diluting, no measuring. Simply spray, then wipe with a clean cloth. No rinsing necessary.

Economical — one quart does the job of several aerosol cans. Just aim and squeeze the trigger.

Removes stubborn soils — floor wax, smoke film, lipstick marks, heel marks, kitchen grease, crayon and pencil marks, fingerprints.

Cleans and shines — desks, telephones, table tops, chairs, floors, painted woodwork, whitewall tires, porcelain fixtures, appliances, formica, vinyl, cabinets, light switches, door frames, paneling, walls, golf bags, ceramic tile.

One trigger sprayer is packed in each quart case.

### Specifications:

Physical Form	Clear liquid
Color	Orange
Scent	Butyl
Specific Gravity	1.00
Density	8.34 lbs. per gallon
Foam Test As Is	initial — 210mm 5 minutes — 30mm
pH Solution As Is	9.325
Total Solids	3.8%

### Directions:

Spray a small area until wet, not dripping wet. Let stand for several seconds. Do not allow to dry. Wipe dry with a clean dry cloth. Rinse if desired. Cleans and shines nonporous, washable surfaces, dissolves the dirt-catching film so the clean, shined surface stays clean longer.

**Do not use on varnished surfaces.**

**CAUTION  
KEEP OUT OF REACH OF CHILDREN**

### Shipping Weight in pounds:

Case 12 Plastic Quarts

27.4 pounds
